CHOOSE US

Alhumdulillah, with over a decade of experience, we have established ourselves as the only travel operator for Hajj, serving over 500 pilgrims annually, and accommodating over 1,000 pilgrims in both 2018 and 2023!

As the Hajj landscape evolves, the Hajj Ministry, the South African Hajj regulator, and operators face daily challenges due to the increasing number of pilgrims and advancements in technology.

Preparing for Hajj requires detailed planning, particularly during the essential five days of the pilgrimage. We understand that many pilgrims may feel anxious and seek guidance from knowledgeable Ulama. Alhumdulillah, at Khidmatul 'Awaam, we have assembled specialised teams focused on logistics and spiritual support, ensuring that our well-trained guides are always available to assist.

Recent regulations now require Hajj operators to accommodate a minimum of 500 pilgrims to retain their accreditation. As a result, other operators are left with little choice but to merge or explore alternative ways to serve the Hujjaj. However, with the trusted Khidmatul 'Awaam brand and our extensive experience, you need not look any further. Our commitment is to provide exceptional service that prioritises comfort and simplicity.

Choose Khidmatul 'Awaam Pilgrim Services – your trusted partner for this life-changing journey.
